PROFESSIONAL SUMMARY

Computer Science graduate (B.E., 2026) specializing in ServiceNow development and administration. Earned the ServiceNow Micro-Certification — Welcome to ServiceNow (Zurich), June 2026. Built a complete IT Help Desk system on a ServiceNow PDI covering Service Catalog, Flow Designer automation, Business Rules, Client Scripts, SLA management, Email Notifications, Platform Analytics, and Knowledge Base. Strong scripting background in JavaScript applicable to GlideRecord, Client Scripts, Business Rules, and Script Includes. Interned at Planotech Pvt. Ltd. shipping production-grade backend systems. Actively pursuing the CSA certification.

SERVICENOW SKILLS

Platform Modules: Service Catalog, Incident Management, Knowledge Management, Platform Analytics, Visual Task Boards, Flow Designer, SLA Management, Email Notifications

Core Concepts: ITSM Fundamentals, ACLs, User/Group/Role Management, SLAs, Notifications, CMDB Basics

Development: Client Scripts, Business Rules, Script Includes (GlideRecord), UI Policies, Flow Designer, Update Sets

Tools & Platform: ServiceNow PDI, Now Learning Platform, Now Platform UI (Next Experience), Application Scopes

TECHNICAL SKILLS

Languages: JavaScript (ES6+), Python, HTML, CSS

Frameworks & Databases: Django, MySQL, Redis (working knowledge)

Tools: Git, GitHub, Postman, VS Code

CERTIFICATIONS & TRAINING

Micro-Certification — Welcome to ServiceNow (Zurich)

Jun 2026

ServiceNow | Hands-on: Service Catalog, Platform Analytics, Visual Task Boards, Knowledge Management, ServiceNow AI

Welcome to ServiceNow — On-Demand Course (Beginner, 3h 15m)

May 2026

ServiceNow | Core Now Platform modules: Service Catalog, Visual Task Boards, Platform Analytics, Knowledge Management, ServiceNow AI

WORK EXPERIENCE

Software Intern — Planotech Pvt. Ltd., Bengaluru

Sep 2025 – Dec 2025

- Contributed to production-level backend development using Python and Django in an agile team.
- Improved REST APIs, participated in code reviews, and shipped real-world software features with Git/GitHub.

PROJECTS

ServiceNow IT Help Desk System

2026

ServiceNow PDI · JavaScript · GlideScript · Flow Designer · GlideRecord | github.com/Abhisheksguler/service-now-helpdesk-project

- Built a complete IT Help Desk system on ServiceNow PDI covering all core ITSM modules from scratch.
- Created 3 Service Catalog items (Laptop Request, VPN Access, Software Installation) with dynamic variables — dropdowns, checkboxes, date fields — and Catalog Client Scripts for show/hide field behaviour.
- Configured Flow Designer to auto-create Incidents when catalog requests are submitted, mapping caller, category, impact, and urgency fields.
- Written Business Rules to auto-assign incidents to correct support groups based on category using GlideRecord; developed Script Includes as reusable GlideRecord utilities.
- Configured SLA definitions (P1 = 1hr, P2 = 4hr response) and 3 email notification templates for incident assigned, resolved, and updated events.
- Built Platform Analytics dashboard with Open vs Closed pie chart, Incidents by Category bar chart, and SLA Breach Rate report; created a Knowledge Base with 3 published articles for self-service support.

KrishiSetu — Digital Agriculture Marketplace

2025

Django · React · MySQL · JWT · Redis

- Built full-stack marketplace with 4 role-based dashboards (Farmers, Buyers, Distributors, Admin) and a Service Catalog-style seed marketplace (browse, order, track fulfillment) — mirrors ServiceNow role/group-based access control, ACL model, catalog items, and request fulfillment workflows.
- Created 40+ Postman API test cases; identified and resolved a critical JWT session bug — applicable to ServiceNow ACL and session management testing.

AI-ChatBox — Intelligent Conversational System

2025

Python · Django · Groq API · MySQL

- Built AI chatbox with Groq API integration and MySQL-persisted multi-turn session management — applicable to ServiceNow Virtual Agent and API integrations.

EDUCATION

B.E. in Computer Science & Engineering

2022 – 2026

City Engineering College, Bengaluru

PCMB Science (Pre-University)

Completed 2022

PACE PU College, Haveri
